Seriously Addictive Mathematics (S.A.M) is a math enrichment program teaching the world-renowned Singapore Math Method to students ages 4-12. All reputable education studies consistently rank Singapore Math as the best math program in the world.

At S.A.M, we have a genuine passion for enriching the lives of children.

- ✓ Do you possess a natural flare and passion working in a children's environment?
- ✓ Are you a dedicated employee with a drive to succeed?
- ✓ Are you comfortable working as part of a team?
- ✓ Do you have a genuine appreciation for education?

If you have answered **yes** to all of the above questions, an opportunity to be part of the S.A.M team may await you.
